

SCULPTURE SUPPLY CANADA

345 Munster Ave Toronto, ON M8Z 3C6 Toll Free 866-285-5509

Sculpture Supply Canada is pleased to introduce its newsletter publications. In November of 2008 SSC launched its new e-commerce website which began featuring our extensive product offering. On-line you will find valuable technical information by downloading technical bulletins in PDF format and viewing instructional videos in our Media section. For your convenience, customers are now able to instantly place web orders 24/7 at www.sculpturesupply.com.

We will keep you up to date on new product innovations and promotions via newsletter announcements.

HOT WIRE FOAM CARVING TOOLS

EPS FOAM CARVING BLOCKS

MASTER HOT KNIFE KIT

October 2009 Promotions

Web orders placed on-line qualify for a **10% discount** on Hot Wire Foam Sculpting tools, EPS Carving Foams, all instructional books and DVDs effective until Nov 15, 2009.

SSC is also offering a [free block of EPS foam](#) (24.75" x 20.25" x 12") with every purchase of the [Hot Wire Crafters Deluxe 3-in-1 Kit](#) or the [Pro 6" Hot Knife & Freehand Router Kit](#).

Fall Season Approaches

As the fall season approaches shipping certain temperature sensitive materials becomes an issue. If possible we suggest placing orders for such products ahead of the oncoming colder temperatures to prevent damage from freezing and higher heated transport costs.

As we constantly update the website with our complete product line we invite and encourage you to check our website for new product lines.
